Liquor Control Board License Applications

Monday, April 17, 2023

Note: The Vermont Department of Liquor Control recently changed its application process and format. One effect is that the document the City receives about each application now has many more pages. Most of the information is not relevant to the City's Liquor Control Board, especially violations that have been addressed by the applicant. Unless the application changes, going forward staff will provide the Winooski Liquor Control Board with a list of applicants instead of their full applications.
