<b>Expenditure Required (amount and source)</b>	None
<b>Background Information</b>	With the realignment of the City's commissions around the strategic vision areas, it was noted that several of the members of the Development Review Board (DRB) have terms of appointments that do not align with the City's fiscal calendar. In an effort to ensure accurate records for all DRB appointments that are consistent with other commissions, Council is being requested to reappoint the members of the DRB with terms expiring on June 30, 2020 or June 30, 2021 to ensure staggering of membership. All current members have agreed to continue serving in their current capacity on the DRB and Mr. Johnson has requested being made an alternate to allow Mr. Weissberger to become a member. Subsequent appointments would be for two-year terms to maintain the staggered nature of the appointments.
