

Agenda Item	Unified Planning Work Program Application - Stormwater Phosphorus Control Plan
Date	January 13, 2020
Submitting Department	Public Works
Recommended Action	Approve an application for assistance through the CCRPC's Unified Planning Work Program
Strategic Vision Area and Strategy	Municipal Infrastructure
Expenditure Required (amount and source)	If selected, a 20% match will be required. This is estimated at \$8,380, Sewer Fund - contracts
Background Information	At the regular meeting on January 06, 2020, staff presented information related to an application for the Chittenden County Regional Planning Commission's Unified Planning Work Program (UPWP). The City is proposing to submit an application to support the preparation of a stormwater phosphorus control plan (PCP). The PCP plan is a requirement of our MS4 DEC permit. This phase II scope would build upon on-going phase -1 UPWP work.
Supporting Documents	FY21 CCRPC UPWP application
Interested Parties	All residents and persons doing business in the City.
City Manager Approval
