<b>Background Information</b>	<p>Since 2017, the Council and Leadership Team have come together on an annual basis to establish a shared list of priorities (a workplan) for achieving the City's Strategic Vision priorities. This has included a review of past accomplishments, a review of future priorities, and an alignment to the City's Master Plan and the Commission structure.</p> <p>Given the Covid-19 pandemic we currently face, the reduced staffing levels, and the financial uncertainty, we recommend that together we set a shorter-term work plan that focuses on response, recovery, and resiliency, and addresses long-term goals later in 2020. To further that discussion we are providing you with:</p> <ul style="list-style-type: none"> <li>• A full report out on 2019-2020 Policy Priorities and Strategies</li> <li>• A DRAFT recommended set of short-term 2020 Policy Priorities and Strategies</li> </ul>
