

Agenda Item	Chittenden County Regional Planning (CCRPC) FY22' Annual Work Plan (UPWP) Application Request
Date	January 19, 2021
Submitting Department	Public Works
Recommended Action	Authorize the Public Works Director to submit a UPWP application for the preparation of a traffic calming policy
Strategic Vision Area and Strategy	Municipal Infrastructure
Expenditure Required (amount and source)	\$10,000 - 20% Match (Based on CCRPC's recommended budget of \$50,000) General Fund
Background Information	During this summer and fall we received a number of requests to review potential excessive vehicle speeds on local streets and make necessary physical improvement to limit speeding. The city does not have a traffic calming policy that formally addresses how we review, evaluate and possibly implement improvements to reduce vehicle speeds. In coordination with the CCRPC, it was recommended that the city apply for a UPWP grant to support this effort. Please see attached memorandum for additional details.
Supporting Documents	Memorandum, UPWP application, grant form
