

<b>Agenda Item</b>	Ordinance Update – Chapter 28 Fees
<b>Date</b>	April 18, 2022
<b>Submitting Department</b>	Finance
<b>Recommended Action</b>	Introduce proposed change to the Chapter 28 ordinance and set a public hearing for May 2.
<b>Strategic Vision Area and Strategy</b>	Economic Vitality, Municipal Infrastructure
<b>Expenditure Required</b>	n/a
<b>Background Information</b>	At the previous Council meeting the proposed changes were reviewed. The Clerk's Office is proposing an increase to marriage licenses to be consistent with state statute. A new section has been added for fees associated with the Public Records Request Policy approved by City Council at their March 21 meeting. The Public Works Director is proposing changes to the Street Department and Water Resources sections to reduce confusion and streamline permitting processes while covering administrative costs to review applications. The Planning and Zoning Administrator is proposing changes to the Zoning and Land Development fees intended to clarify when fees apply and to ensure that costs for public hearing are covered by the fees paid.
<b>Supporting Documents</b>	Draft Chapter 28 Fees including tracked changes
<b>Interested Parties</b>	
<b>City Manager Approval</b>
