Background Information	City Council approved up to \$100,000 of American Rescue Plan funding to be used for business recovery efforts on January 24, 2022. They later approved the COVID Recovery Business Grant guidelines at their meeting on February 22. Applications were posted to our website and communicated to businesses through Downtown Winooski starting in mid-March. Applications were due by April 8 at 5:00pm. A total of three applications were received by the deadline. Redacted application information was provided to Downtown Winooski for their review on April 13. The board has reviewed the information and provided their recommendations in the attached memo.
