Why are you interested in serving our community? List experience, history, and qualifications pertinent to the position you are applying for.

I am interested in joining the Safe, Healthy, Connected People Commission to help inform and support the execution of Winooski's strategic plan and vision for initiatives related to public health, safety, and health outcomes within the city. Although I have been a long-time resident of Vermont, I became a first-time homeowner in Winooski about a year and a half ago and am looking to get more involved in work that directly impacts my community. I have a Master's in Public Health from the University of Vermont and 9 years' experience within the public health, most of which has been related to the development and management of healthcare services and public health programs. Amy Lafayette first made me aware of this Committee and it seems like the perfect opportunity to apply my experience and background to positively impact my community.

What is your relationship with Winooski? Are you a resident, business owner, or student?

I am a resident and homeowner in Winooski, VT.
