

I. Call to Order

Brian Borah

Taking notes: Dallas Wheatley

II. Public Comment

None

III. Approve Previous Meeting Minutes

Unable to vote on prior notes due to only one person from the prior meeting in attendance today.

IV. Commission Member Re-Appointments

- YEA: Peter Wernsdorfer, Emily Corley, Nick Woolfe, Michelle Metzler
- NAY: Jason Williams, Dallas Wheatley, Brian Borah
- Hybrid meetings are much more possible moving forward, and day of the week may be able to be changed based on group availability.

V. Chair and Officer Assignments

Chair

- Peter Wernsdorfer
 - Nominated by Dallas
 - Seconded by Nick Woolfe
 - Nomination accepted
 - Passed unanimously
- Vice Chair
 - Michelle Metzler staying on
- Secretary
 - Will wait for next meeting to appoint.

VI. FY24 Work Plan Discussion

- Would like more info on O'Brien Community Center plan before MIC can provide consult on plan.
- What are community requirements for walking/biking in Winooski? We can send out link to survey to gauge community needs. Survey still open! Survey link: <https://www.ccrpcvt.org/our-work/transportation/current-projects/walk-bike/winooski-walk-bike-plan/>
- Dallas questions the ability to add needle deposit boxes on municipal property for areas in Winooski to improve public safety. Probably a Safe, Healthy, Connected People topic.

- Dallas suggests adding bike racks near bus stops or parking garages. Committee discussed. Perhaps bring to Inclusion and Belonging Group for placement help?
- Can we provide more incentives to adults for biking? To either alleviate cost of bike or to encourage more biking. There are already incentives for electric bikes/bike share from CCRPC.
- Lafountain/Dion Street Update DOES need commission input, there was a misprint on Committee Agenda.

VII. Council Liaison Updates

- Juneteenth is being recognized with a ceremony on Sunday afternoon in The Circle.
- Pride event success from last year being brought back this year.

VIII. Staff Liaison Updates

- Abenaki Parking Garage tentatively starting construction in August.
- Environmental Notice Bulletin (ENB) can alert users about various permits and upcoming construction projects. Currently ONLY place to register public comment/appeal.
- MIC will not meet in July as we attempt to fill seats and await more agenda items. Plan for third Thursday of August at 6:30, hybrid meeting.

IX. Adjourn
