

Resolution - Emergency Ordinance
COVID-19 Pandemic: Municipal Charges and Property Tax Relief
June 15, 2020

The City Council hereby resolves, as follows:

WHEREAS, the Governor of the State of Vermont has, by Executive Order No. 01-20 dated March 13, 2020, declared a State of Emergency for the State of Vermont in response to the spread of COVID-19 in the State; and

WHEREAS, the Executive Order has been modified and supplemented by several Addenda (the Executive Order together with the Addenda are collectively referred to herein as the "Executive Order"); and

WHEREAS, the Executive Order has significantly restricted the conduct of business and daily life in the State in order to restrict and halt the spread of the COVID-19 virus, including by directing the closure of in-person operations for all non-essential businesses, dismissing schools for the remainder of the current school year, ordering the closure of all close-contact businesses, ordering the closure of all bars and restaurants, requiring Vermonters to not leave home except for specified reasons, and restricting non-essential gatherings to ten or less people, among other measures; and

WHEREAS, the Legislature has approved and the Governor signed S.344 that "proposes to authorize the legislative body of a municipal corporation to:...(2) reduce or waive penalties, interest, and fees for late payment of property taxes...."; and

WHEREAS, by virtue of such restrictions, the businesses, livelihoods, and income of Winooski residents and taxpayers have been disrupted; and

WHEREAS, the City Council recognizes that such disruption will make it difficult for some of its taxpayers to make payments for property taxes and other municipal charges in a timely manner, and thus may threaten the security of their homes, or the viability of their businesses or work environment. This would be a significant public health threat during this time when Vermonters are being asked to stay at home; and

WHEREAS, the City Council desires to ameliorate these impacts within the limits of its statutory and Charter authority; and

WHEREAS, the City Council has the authority under Charter §19-403 to adopt emergency ordinances to meet a public emergency affecting life, health, property or the public peace;

NOW, THEREFORE, pursuant to the authority granted to it under Charter §19-403, the City Council hereby adopts, within a new Chapter 30 of the Winooski City Code, a new section 30.01, as follows:

SECTION 30.01. COVID-19 PANDEMIC: MUNICIPAL CHARGES AND PROPERTY TAX RELIEF

- A. A state of emergency exists throughout the State of Vermont, pursuant to Executive Order 01-20 issued by the Governor of the State of Vermont and dated March 13, 2020, and supplemented by Addenda issued since that date. The state of emergency was declared to address the spread of COVID-19 throughout the State, including in the City of Winooski.
