Language interpretation services will be provided on an as-needed basis for any commissioner who makes a request. Will you need interpretation services? Yes No

Waiver - I recognize that as human beings, we all intersect in multiple identities drawn from race, gender identity, sexual orientation, religion, ability & ethnicity. I know that differences in race, culture & ethnicity are essential and valued parts of an inclusive society, and recognize that these different perspectives are an asset to the City of Winooski. I understand and agree that submitting this application form does not qualify as automatic registration and that certain qualifications must be met (including the acceptance of established policies and procedures provided by the organization of interest). By signing and submitting this form, I attest that the information I have provided on the form is true and accurate.
