

Urban Chicken Application
City Clerk's Office

Keeping chickens in an urban environment requires license approval from our Winooski City Council. Attendance during the City Council meeting of approval is required. A zoning permit may be required for construction projects associated with the application.

Please allow 4 - 6 weeks for final approval. An annual registration fee of **\$10** is required. Applicants must include a health certificate for the total number of chickens.

Applicant Information

Name _____

Address _____

Phone _____ Email _____

Animal/Location Information

Owners can have up to 8 total chickens, no roosters.

Source/Origin of Chickens _____

How will the chickens be contained and secured (keeping them in, and predators out)?

Please attach a sketch of the property noting lot lines, location of the house, location of the chicken pen and/or coop, location of fencing, and location of neighboring homes with distances indicated. Supplement with photographs of the property and visible neighboring properties.

How will the chickens be sheltered? Please provide sketch(es), photos.

Will electricity be provided to the shelter/coop? **Yes** **No**

What is proposed for manure disposal?

How will nuisances such as noise and insects be controlled?

Hundreds of cases of animal rabies have been reported throughout Vermont. Please familiarize yourself with the signs of rabies and how to protect yourself from rabies. Information is available from the Vermont Department of Health: healthvermont.gov/disease-control
